**Quo Vadis**

**The commander of the Sirius-A crew, Albellic, continues to share knowledge with humanity on Earth through Oris about the last times of the physical incarnation of the Planetary Entity and its preparation for spiritual Transfiguration. By answering Oris's questions, he describes in detail WHAT Mankind REALLY is, what their true potentialities are and what their nearest prospects on this planet are.**

**On the eve of inevitably impending global cataclysms our Teachers from higher civilizations of the Family of Light teach us the right understanding of the processes taking place on the Earth, so as to avoid excessive concentration of vibrations of fear and despair in the Space which, when accumulated, will not help us but on the contrary will only accelerate and strengthen the powerful manifestations of elemental destructive forces of nature and worsen conditions for spiritual Ascension of all mankind to a higher level of existence.**

# ALBELLIC'S SIXTH MESSAGE – THE CREW COMMANDER OF THE STARSHIP "B101001 SIRIUS-A"

*(TP-contact of 11 November 1998)*

**We are all happy to welcome you and your whole group back, our dear Brother Oris!**

Our friend Makkearland and his crew also send their regards. We were unable to reach the Contact Ray for reasons beyond our control. The night before, we did some state testing, as well as a partial energy correction of your astral body's chakras, and prepared your mental body for the Contact. Now everything is normal and we are glad that we can get to work.

The trials for you, our Starry Brothers and Sisters who have voluntarily chosen for yourselves this difficult earthly path of Light, Love and Grace, will now take place at the maximum possible level. You should not be frightened by this wording because you have to perceive it as a natural process of your Consciousness growth, as a gift given to you and only.

The birth of a new and improved one cannot be entirely painless, for that which is too easily given cannot be of true value to the developing Spirit in the Matter. You are reminded of the long-tried Truth that night is at its darkest just before the dawn, and that the true, undistorted sound can only be extracted from a string which has been stretched to its limit.

The signs you receive should only strengthen you in the belief that you are constantly under the patronage of very powerful Forces of Light, to whom you can **ALWAYS, AT ANY MINUTE**, turn for **ANY** help and receive it. If there is no direct connection with us, it does not mean that you are forgotten, that you are alone and no one needs you. Eradicate from your subtle bodies with all your might such Thoughts, which are specially put upon you by the opposing side. We believe in you because you are all an integral part of ourselves.

- **Brother Albellic, based on your numerous “Messages” to the earthlings, our planet, due to unreasonable human activities, has ALREADY entered the most difficult and threatening phase of destruction of the Physical World. Can each of us, Star-Born, or all of us together, stop or at least alleviate, change the process that has already begun? Or is everything reported in your last message already inevitable?**

- Our dear Brother, we understand you very well and we understand your desire to reduce at least the physical suffering of people. But the overwhelming power of Providence cannot be restrained by your or anyone else’s Knowledge, nor is it necessary. Nothing can be changed, for what awaits the earth, together with all the other physical bodies of your star system, is its own definition, its own way of development which the Solar Logos Himself has chosen for Itself.

This is His individual Way of Cognition of Myself and therefore the Way of Cognition of mankind of **THIS** earthly civilization which has long since outlived itself. It is only through the suffering which today’s humanity has brought upon itself that the collective consciousness will be able to rise to a new level of Knowledge. For this it is simply necessary that man change spiritually.

What can each individual change, how can he/she help? It is up to each individual to try to change his or her life in this decisive period, so that his or her Love may reach others to a greater extent. Even though you no longer have any influence on the irreversible process of the deep transformation of the planet, you must try to spread around you the energy of Harmony and Love wherever you are, whatever the society around you may be, and be constantly aware of **WHAT** favor was given to you by making you enter this world in this difficult period for the human race.

Continue to work in mutual Love and in tolerance of the other different orientations. Avoid despondency, smile more often, so that Joy may be reflected by a ray of sunshine not only on your face, but in your whole being. Only in this way will you be able to positively influence at least your surroundings.

Yes, all times are over and there is no way you can change your ever faster and ever more hopelessly decaying world and radically alter the fate of the planet, which, like all peoples living on it, is subject to constant change. For even in our previous communications to you, Brother Oris, as well as through many other channels in America and Europe, we have already emphasized that man two hundred thousand years ago had a completely different appearance from what he has now, I mean the density and quality of the matter constituting his outer shell.

The genesis of this humanity did not take place on your planet, we have also already informed you about that. On Earth at that time there were already animals of enormous size and strength, as well as small creatures and insects. There were also apes and upright humanoid creatures without the rudiments of intelligent plasma, animated only by the desire for food and mating.

But their dense bodies were not at all suitable for spiritualization by highly evolved Consciousnesses. Some of the gametes of their genotype were taken only as an aid in better adaptation of the extraterrestrial Consciousnesses to the earthly conditions of existence. This process, long enough in time, was carried out entirely on one of the planets of the Sirius-B star system.

On Earth there was only genetically generated or cloned the most convenient external form for the manifestation of Consciousnesses from other stellar systems who wished to incarnate themselves to spiritualize coarse Matter. Most of them had reached on their homeworlds of the Dark Ring system a far greater technical development than the civilizations which existed on the Earth **BEFORE THAT**.

But the Earth Development Plan allowed them to develop themselves more **SPIRITUALLY**, giving them a chance to get out of the evolutionary deadlock they had driven themselves into. Otherwise they simply wouldn't have come here. But their arrival was more like an expansion, a crude invasion, rather than an invitation to cooperate with other Star-Born Consciousnesses.

This is the specificity of their purely intellectual development, which does not abhor any form of moral and spiritual violence. The human-animal form, with human body but with the animal head, having high intellect, great energetic abilities and physical strength – all this is not a fantasy of your ancestors but a reality that took place at the first stages of formation of your “collective” civilization. On other levels of your civilization's Time Field they still exist.

The Akasha-chronicle of the Earth contains information of not just one, but **SEVERAL** “floods”. Each “flood” had its cause and consequences. Atlantis is not a fairy tale, but a reality which still exists. All previous Floods were not aimed at the destruction of the planet, but were a means for purification of the Collective Consciousness which develops simultaneously **ON MULTIPLE** energetic levels. Rather, it should be understood as the completion of one educational process and preparation of the ‘classroom’ for the beginning of another lesson – with a different Teacher and with other students.

All highly developed civilizations that once flourished on Earth have perished because they professed a purely predatory, consumerist approach to Life and their existence. Your civilization, as well as previous ones, could not bypass the ‘stumbling block’ that destroyed the insubstantial constructions formed by numerous layers of your own destructive thoughtforms. This is the evil fate of your level of Being. Man striving for the higher Knowledge forgets completely the Love contained in himself.

Mankind has dug a hole to itself, having enmeshed the whole planet in a powerful web of nuclear power stations and thoughtlessly influencing the earth's shell by nuclear explosions of bombs. You people just can't even imagine all the horrendous consequences of such thoughtless acts.

All these tests on an enormous scale destroy the protective shell of the earth

by changing its molecular structures and gas composition. At the same time, powerful chemical processes are released, which are not taken into account by your scientists, but which have destructive effects on all life. It is not freon gas, but atomic explosions that are the true cause of the so-called “ozone holes”.

Nuclear tests are still in full swing: in America, in Russia, in France and other countries, though your governments prefer to keep quiet about it, so as not to cause more panic, anxiety and fear for your future. While the persistent ecological imbalance established could still be eliminated in a definite way and the ozone holes could be sealed through powerful spiritual radiations, which could not be difficult for us to eliminate, the results of the drastic spiritual fluctuations and the moral squalor of people can now only be neutralized by a complete cleansing of the lower vibration levels of Matter from the myriad of ugly thought-forms tightly entangled in it.

The already actively begun Transformation of the Earth’s Physical Plan supposes a **STEPWISE** purification of Karma of present humanity, during several next years, first by the energies of Water, then quite a rapid baptizing with the energies of Fire, after which the highest emanations of the Holy Spirit or Ether will-- complete the total purification of the Space-Time of all physical objects of your Solar Ring through the transmutation of physical Matter into a subtler type of light energy. And then the Earth will finally receive completely new spiritual structures.

The consequences of such a Transfiguration will be very beneficial for the entire Earth and for all mankind. No one will be able to avoid it, no one will be ‘forgotten’ because those who do not wish to transmute their physical shells through special Levitation Beams projected on the surface of the Earth from hundreds of thousands or even millions of spacecrafts will be forced to transform through that process which you call Death, that is to die first and then wake up as if in a completely different world.

The only thing we constantly ask you to do is not to perceive the forthcoming events in a too tragic colour, because none of you will be able to change anything in this situation. The slightest resistance may only aggravate the physical suffering, but if you try to tune in to the Transfiguration and do not hesitate for a second to step into the pillar of clear Light coming from the cosmic apparatus, nothing bad will happen.

If you want to get **EXACTLY** to Us, though it will not play a significant role, you will have to choose, if possible, the Rays emanating from apparatuses of spherical or roundish form, of silvery or white colour. In doing so, you will not have even a shadow of fear or even just anxiety in your Consciousness, because the radiations of Divine Love proceeding from us towards you will urge you to make the right choice and to trust the voice of your Heart. You may not have a lot of time to think for yourselves, perhaps up to half an hour, therefore you will have to decide quickly, but without making too much fuss.

Don't try to take something material with you, because it will be in vain: the high frequency energies, which form the basis of the fields of levitating Rays, will instantly accelerate the movements of atoms and molecules that compose your physical shells, and you will immediately become invisible to the physical organs of the senses. Other material objects such as jewels, money, books etc. will simply annihilate under the influence of high energies or disintegrate into their constituent elementary particles, but this shouldn't upset you, for immediately upon arrival to the ship or base each of you can very easily materialize them for yourself by just imagining the thing dear to you in your mind.

Those who at the time of entering the Levitation Ray were separated from their relatives or children should not worry too much about this, because the evacuation of children from Earth will be handled by a specially created for this purpose space team consisting of our experienced educators and the best psychologists. No child can be forgotten or lost or separated from their parents, because we sense and perceive all of you not by your physical form, but by subtle radiations radiating from each person and which are strictly individual, just like fingerprints.

Each and every radiation of a person who ascends through the levitating beam is instantly registered and filed in a special data bank which can be used to locate any person almost instantaneously, no matter where in the world they ascend from. In addition, the Matter of the Fourth Dimension where most of you will first be ascended to, allows instant identification of a person by an imaginary phantom and to move in his new body to any point in Space wherever this person may be.

So don't worry – there will be no broken families, no weeping widows, no grieving mothers – no one will get lost during the general evacuation, which could take place perhaps in a year or two or five, or perhaps any minute, depending on how the outer-space situation around your planet develops. After the Transfiguration you will forever forget about such, purely earthly concepts as hunger, grief, war, suffering, disease, death, boredom, etc.

Our World knows nothing that can oppress the spiritual nature of the individual and detract from its perfection. The same Laws of Harmony and Love will prevail on the new, transformed Earth. The new humanity will be given a new, much higher and more confident start in its spiritual existence; new boundless horizons will open for everyone's conscious participation in the cosmic creativity.

- This is all good, Brother Albellic, I think that many people having read this, so to say, "instruction on evacuation" will follow your advice and at the right moment will be able to prepare themselves both morally and spiritually. But nevertheless I am curious about the following question: could it be that you, our Spiritual Teachers, having all your capabilities and highest abilities to manipulate time fields, could not have foreseen that mankind on Earth would

come to the particular moment of its Evolution in exactly **THIS** imperfect spiritual state? Could it not be timely corrected, foreseen, changed after all?

- I see clearly, our dear Brother Oris, that you yourself know very well the answer to this question and you ask it only because many of the ordinary people who read our messages do not believe in our existence or in our omnipotence, only because we do not act in relation to earthlings from the position of brute force, Imposing that Way of development, which we consider the best, but constantly coaxing you, people, to become better, to become kinder to each other, and instead of diktat asking you patiently not to do harm to yourselves, or, as you yourself say, “cuddling” with you.

I will answer your question briefly: yes, we knew and foresaw that the final outcome for this earthly civilization would be exactly that: something similar has happened many times on this planet and continues to happen in some other points of material Universe, which are in many ways similar to the conditions of this earth’s development. Having attained a certain level of cognition, highly developed civilizations have been and will be self-destructing until humanity finally gets to understand its true predestination, grasps the immensity of its Being and perceives itself as a part of Divine Love.

This is not only true for your Earth. And while on this planet this experiment has already been practically terminated to allow many Forces and Energies to prepare the conditions for the initiation of a new perfect Plan of Evolution, the Consciousnesses which have passed the Path of Knowledge on Earth but are not yet spiritually mature enough to continue their further development in the future Earth Cities of Light will become the main basis for the perfection of Mind on the other planets of the Galaxy which have not yet undergone spiritual transmutation. They will bring with them all the Knowledge they have gained during their many Lives on Earth, and this Knowledge will not allow them again to make the same fatal mistakes which they have made here. So we do not regard this experiment as a failure, for **EVERYTHING IS GOOD.**

- Not long ago I gave some of my books of the series “Contacts on the Eve of 2000” to the publishing house “Sofia” in Kiev and I was very puzzled by the fact that they say that the information given by you in your “Messages to Mankind” coincides in many ways with what they print in the “Channeling” series or something like that. Brother Albellic, you know that I am very conscientious and literally **DONE** writing down everything you pass on to me, but I have never even considered copying someone else’s information received through other channels. What do you report to me on this?

- Our dear Brother Oris! All Thought is as boundless as the universe. Therefore let you not be disturbed at all by these ridiculous insinuations of the opposing forces which do not profit much from the wide spreading of the spiritual Knowledges we convey through you, for these Knowledges will neutralize that unconditioned fear whose vibrations the dark powers want to flood the whole Astral and Mental plane on the eve of the beginning of Transformation. You do your good and very necessary work for the Light and you need not be disturbed by these or other such trashy invectives.

Do not worry, for nobody can accuse you of plagiarism, for the data we present in our messages are far broader, more varied and versatile than those of the publications you mention. All you have to do to confirm this is to read them and everything becomes clear. Get used to criticism, because there will be many more outbursts, because it is much easier to criticize, ridicule and blame than to put into practice a specific and very useful thing for many people on your own.

You are working with Thought Matter and that says it all. The fact is that any Thought manifested in the form of sounds cannot, due to its mental nature, belong to any living person, because Thoughts are not born in people's heads; they are first emanated from the treasury of Akasha-chronicle to numerous mental levels, and from there to the mental body of a person who is able to give these emanations the form of sounds, i.e. words.

It does not even occur to them (I mean this publishing house) that the source of the information which is sent down to earth may be the **SINGLE**, under whatever conditional name it may come up. We, the Forces of Light, constitute a united spiritual cosmic crew in the Earth Space, the aims and tasks of which can in no way be separated or limited by your misunderstanding and your purely human ideas about us, about our spiritual nature and about the aims of our spiritual mission in your World.

All is good and all belongs to good, whether you perceive this as an immutable Truth or simply do not want to perceive it. There are already many very useful and rational Thoughts, formulated by someone long before these Thoughts were naturally 'in line' with the messages we transmit through your Consciousness. Do you really think we will disregard individual successful formulations in favour of lies invented by you? Of course not!

Thought transmitted by us in the process of Contact **ALSO** arises in you, and is felt by you **ALSO** as your own. In a capsule of your field shell, on a high mental level, during TP-Contact a high-frequency perceptive resonator appears, tuned to our frequency, and due to that you can, through the morphogenetic field of the Earth Noosphere, receive information prepared by any of us for you personally, just like a printer or a scanner. Whether it coincides "verbatim" with the information transmitted by us to the Earth through other channels or not is not important, believe us.

The only important thing for us is the result which will be achieved in the spiritual growth of the collective Consciousness of mankind on Earth due to the messages sent and duplicated through the many telepathic channels from Pleiades or Sirius to Earth. The rest, in view of the globality of the coming events, should concern **ABSOLUTELY NO ONE**, I repeat, **NO ONE** among sentient beings, except ourselves, can have the exclusive right to spread this knowledge to all mankind.

Our position in this matter is very clear and simple – the sooner and the more people on Earth learn about the coming Transformation, the better it will be for all of you. There are no other criteria for defining this information and there cannot be any other.

All the rest are usual and usual insinuations of the dark forces that prevent by any means the fast spreading of that spiritual knowledge on the Earth. Let this aspect of our work not disturb you at all and not distract you from fulfilling your main task. But nevertheless we pity very much those who serve the forces of darkness, even unknowingly, and all those who are not interested in the spiritual evolution of mankind.

**- Brother Albellic, The lives of ordinary people in the so called “CIS” (I think you know what these letters mean) is so difficult nowadays, that few listen to your messages and few read my books. My financial situation does not allow me to expand even more widely the distribution of the Knowledges taught to people on the eve of the Transfiguration. My so called ‘support group’ is too small and inexperienced to be able to fulfil it in such a short time. There are no sponsors, no facilities, no people... What can I do? Could I be wrong about something? Maybe I am doing something wrong? I and all my friends are very concerned about all these questions and I ask you to answer them.**

- Our dear Brother Oris, I do not recognize you! This is what a deep sinking of the Spirit into coarse matter does even to such an experienced Consciousness as you! Where has our glorious Brother and Friend, known to all for his cosmic missions of Love and Light, gone?

**- Forgive me, Brother Albellic, I do not know what exactly you mean by speaking so highly of Oris, but I, the earthly man Sergey Tsvelev, really do not know, how, by what forces should I ‘push’ all that work forward, because I simply cannot physically write books, both publish them and deal with their realization, get money for other books, and meanwhile try to organize the ‘Harbingers of Light’ Movement?..**

- However, I want to continue the conversation, not with the wonderful Earthman Sergey Tsvelev, but with our dearly beloved Brother Oris, who, we know, is temporarily suffering from amnesia or “memory loss”, because he

needs it (I emphasize that) for the common cause. You are tired, yes, we know that and we understand you very well.

Many, many of our embodied Brothers and Sisters could not endure such a powerful strain of the Matter and they left Life voluntarily. Nobody condemned them then, because we see those, truly, as you call them, “inhuman conditions”, in which you, our Messengers and Heralds, have to live and work on the Earth.

Look at Klavitus Draagor – though he managed to adapt to the conditions of existence on this planet much better than you, but he completely forgot about **WHO HE IS** and **WHY** he started the cycle of his voluntary incarnations on the Earth. No one will certainly condemn or reproach him for this when he returns to us and regains all his knowledge about himself. But he will not forgive himself for ‘falling asleep’ and missing **SUCH** a rare opportunity to manifest Divine Love and Mercy in his incarnation, thus severely letting us all down and not justifying the trust of the ‘Galactic Commission on Terra’.

Look at the people around you, many of whom are Star-born like you. They also incarnated for their missions, but along the way, they couldn’t take the strain and... fell asleep. They just fell asleep: it seems to them that they live, that they do something, hurry somewhere, bustle... In reality they are just sleeping, yes, sleeping and dreaming. Because if they did not sleep, they would not be able to endure their Life on Earth, so unimaginably different from everything that surrounded them on their home planets, in other Worlds of other Galaxies.

This is why we value everyone who has not yielded to the influence of earthly mirages and illusions, who has withstood the onslaught of Matter and not strayed from the Path of Light. You are one of us, you are fully aware of this and in this is your main value for our common cause, our dear Brother Oris! We all love you, our dear Brothers and Sisters, and, with all the Love of our Hearts, we are always near you, rejoicing over even your smallest successes and experiencing for you spiritually. You will endure, for there is so little left to the finish line!

As to your mission, Brother Oris, do not worry about it, because you have **ALREADY** fulfilled your main task, or, as it is called among the earthlings, your “minimum task”, though you may not fully realize the immensity and importance of what you have done. It may be compared only to the situation when a man comes, eliminates the accident at the power station, and hundreds of thousands, millions of people, forced to be in complete darkness before, once again get a long-awaited Light and begin to live more fully and happily.

You and hundreds of our Brothers and Sisters throughout your dark world have kindled the Light of Divine Truth and returned to people the Knowledge of what many millions of them really are, **WHERE** their true spiritual Home is, their Cosmic Source, and **HOW** to find the way there through the Love of an Open Heart. Is this not success, our dear Brother?

We are very proud of all of you: you, Anaaella, Auriestaarh, Firoxanta, Vella, Trigordiy, Eija-Della, and many and many more of our Brothers and Sisters who are actively helping you, but who, for certain reasons, cannot be named by us now. You will surely know them when the time comes.

**- Sorry to interrupt, Brother Albellic, but you just said a new name. Who is Auriestaarh, for you have not called me such a name before?**

- But you yourself, as it seems to me, my dear Brother Oris, wanted to know who really is your son, but apparently, as usual during the Contact, you forgot about it? So, I am glad to answer your unasked question: the one who embodied on the Earth due to your and Anaaella 's pure Love towards each other and whom you called by the Earth name Jaroslav is also our Brother and the code of his Cosmic Name sounds in your Earth language as Auriestaarh, which in Siriusian means the Keeper of Light Purity. There are three of you, **ORIS**, **ANAAELLA** and **AURIESTAARH** – faithful friends who did not wish to part from each other and volunteered together on this difficult expedition to Earth.

After each of your earthly incarnations, the Knowledge about it returns to each of you and you have tried over these three thousand years not to lose sight of each other, to help and support each other in difficult situations of life. You, Brother Oris, are **AS** the “eldest” among them – I do not mean age, which you know is of no importance, but only the exceptional success of your spiritual development – and therefore you should use your advantage for their spiritual benefit.

I turn to Sister Anaaella and Brother Auriestaarh. You and Oris are three kindred Consciousnesses connected spiritually with each other through many hundreds of previous incarnations not only on the Earth but also on the planets Sirius, Pleiades, Orion, Alpha Swan, Venus and Jupiter, where you also remained close to each other and complemented each other very harmoniously on the path of the evolution of your Consciousnesses.

Oris is your elder Brother in Mind, helping to open to you the Path to knowledge of the Truth. The right to be in kindred intimacy with him in this incarnation has been earned by you by the quality of your previous incarnations. If you'll manage to realize in time the importance of this circumstance for you, you'll be able through him to get for yourselves an exclusive opportunity to acquire the Universal Knowledges from the Primordial Source. Perceive Oris on this Path as your kind and loving superconsciousness.

Dear Brother Oris, I, for my part, am very glad, nay, we all here are very glad that this news has brought you joy. Previously we could not tell you this because for Auriestaarh himself, the knowledge of the spiritual Name means that in spite of his young earthly age, from this hour onwards the time of his spiritual maturity has **ALREADY** begun. To grow up slowly now means to

waste the opportunity.

Now, dear Brother, let us return to our interrupted conversation. So, I said, please, these two words for the rest of your group) you are fulfilling your task which, mind you, is but a small part of one big “Mission of Light” on Earth. Other Star-Borns in all countries of the Earth, just like you, are carrying out their responsible tasks, which, densely interwoven by separate threads, constitute a single pattern of the great spiritual Mission, involving hosts of spiritual Beings from all parts of the universe.

So you, Brother Oris, are far from being right in saying that you are doing very little and very slowly, because you don’t have the capacity for bigger things. I will reassure you all: you are doing everything **POSSIBLE!** What you perceive as failures or counteractions of the destructive energies, was initially included into the script of your group’s work, because one of the conditions of your voluntary consent for settling the Consciousness of each of you into the body of the already conscious person was a guarantee from our side, providing for a significant spiritual growth of the Consciousness of the latter during the remaining ‘passive’ period of their Life.

By casting yourselves into the astral and physical bodies of people (the outer ‘manifestation body’ of each of you is represented by the vibrations of your own mental Matter), you automatically assume not only all their Karma but also bear all the responsibility for the mistakes that they have committed in their Lives. Naturally, during the so called “replanting” some Karma correction takes place due to a sharp increase in the level of Consciousness of the earthly person, but some of its radical aspects cannot be removed fully but can be only softened a little. But I will tell you about that some other time, because judging by the state of your mental body I see that you are already tired.

I will only say that the hardest thing is to find harmony within oneself. As long as **FULL CONNECTION INTO** is not achieved, do not set your sights too high, free yourselves first from limited human conceptions, do not think that you – in **YOUR ATTENTION** – are capable of changing the whole world. No, spiritual change does not happen that way!

Remember: as soon as you **FULLY** – spiritually, mentally and mentally – change yourself, completely freeing yourself from the accumulation of unnecessary rubbish you got ‘as a load’ from the earthly Consciousness, people who know you and surround you will change for the better very quickly. Your Consciousness itself radiates Light into the environment, we can perfectly see it even from here. And the more saturated, the more expanded your Consciousness is, the more you will be able to help other, less developed Consciousnesses. The more people around you will light up with an unquenchable thirst for the spiritual Light, the faster the Sun of Transformation will come on the entire Earth and will shine.

This is your **MAIN** task! This too is the Way of the Light, this too is one

of the principal methods of burning out the darkness. Follow it, because you have chosen it for yourselves from the beginning. Look around you and see how much your environment has changed, especially lately, and how there are fewer people oppressing you in the darkness of your own ignorance. This change has also happened thanks to you, thanks to your generous offerings of the Light around you. Through your activity, not only in words but also in deeds, the world around you has become much brighter and the darkness that enveloped many and many people has dispersed. Is this not success?

Do not only try to preach the Knowledge of the Love and Mercy of God that you have received from us, but try to go more and more towards each of the people around you; courageously, fearing nothing, carry before you the bright Light of your Souls and the burning Fire of your Hearts. Everyone who is ready to accept your spiritual gift will accept it with gratitude and, inspired, will carry it on, kindling more and more Hearts; and those who cannot – cannot do any harm to you, because towards them specifically your spiritual mission was faithfully fulfilled.

Look at us both, my dear Brother: you accept with greed and absolute trust all the knowledge that I and our friends give you. But there are millions of other people whose level of Consciousness is so low that it is not available to us and we cannot help them, but you can. At the moment they openly laugh at your books, but a little time will pass and many of them will totally change their opinion.

Many of them think that you invent everything on your own; others think that you are mistaken, because you cannot prove anything, although you will not have to prove anything – Life will put everything in its place and show the authenticity of the Knowledge you impart. Only a few will follow you and the rest of our Brothers and Sisters, but for the sake of these few we are ready to put up with the spirituality and ignorance of the rest.

The way of ignorance is also a way of development, but it is missing many opportunities for the rapid ascent of Consciousness to the spiritual heights. People are afraid of this Knowledge because they are afraid to die, they are afraid to part with those material possessions which form the essence and basis of the whole life, they are afraid to change and to become better.

They laugh at you, but are too lazy to even try to open up their inner, spiritual reserves and realize that fear has already completely shackled their Mind, frozen their Souls and sealed their Hearts shut. How can we reach out to their stale and mouldy Consciousness, if they do not want to hear anything but themselves? For them, who are caught up in the mire of materiality, the coming Transfiguration will be a true salvation and a manifestation of the infinite Love and Mercy of God.

And please, dear Brothers and Sisters, do not be disheartened, do not despair on such occasions, for to each his own. You have done nothing wrong in each

## About the author

During his creative life Oris has written about 100 books on spiritual-philosophical and esoteric topics, as well as on the mental and spiritual relationship between the human energy-structure and the energy-structure of the universe.

A large part of Oris's life is devoted to spiritual creativity through writing books on cosmological subjects. In them the author uncovers such matters, which no one has ever touched so deeply and in such detail before. As early as 1996 Oris managed to find his Spiritual Mission, which he is tirelessly pursuing to the present day.

Oris was born on 25 January 1954 in small Ukrainian village of Maryinka in the Donetsk region in the family of a miner and a nurse.

From an early age (at the age of three) Oris developed an intuitive gift for writing poetry. Oris read out his first poem «Zhen-shen» at the age of 3 to his mother, who wrote it down, because he couldn't write yet.

He also possessed medial abilities from an early age: he could spontaneously «see» dynamic pictures of events and episodes from other people's personal lives, the authenticity of which was often later proven.

As a preschooler, Oris would periodically warn the children of impending contingencies when they were up to some mischief, and at school he knew who would be called to the blackboard and warned his classmates about it. He also knew in advance which boys and girls would be sympathetic to one another and which not.

Oris's first poems, from the age of 6, were published in the Maryinsky district

newspaper. In addition, Oris was good at drawing: 14 portraits of Ukrainian and Russian writers, which he painted in the 3rd grade, decorated the walls of the school corridor.

In 1971, Oris graduated from the 10th grade, worked as an instructor of physical education in Maryinsky Raypotrebsoyuz, and in 1973 he entered the Faculty of Agronomy of the Crimean Agricultural Institute, graduating in 1978. After 4 years of professional activity on the South Coast of Crimea (Yalta), he became the director of sports and recreation base (village of Ponizovka), belonging to two Moscow research and production associations - «Measuring Equipment» and «Energy», serving the space industry. He resigned in 1990 to pursue his literary career.

As a teenager, Oris became very interested in martial arts: karate (Kyokushinkai), kung fu (dim mak - «the art of the poisonous hand», Wing Chun, Zui Quan), judo, sambo and others. Later, in 1975 he achieved a black belt in martial arts and in 1979 in Yalta at the Ministry of Internal Affairs he opened a martial arts section and hand-to-hand fighting.

From this period (1975), while still a student at the Institute, he worked for 15 years on writing several books series about martial arts. Three volume textbook on karate and Dim-Mak Art titled «Karate Way - from Student to Master» was colourfully designed and published in Moscow in 1992. During these years a separate book «Dim Mak - the art of poisonous hand» was published in Moscow. A second cycle consisting of more than 20 books under the general title «Initiation or the Path of a warrior» was written during this period, but it was not published in the USSR because the author had no higher physical education. For this reason in 1982 Oris entered Simferopol State University, but in the 4th year he left the University for family reasons (due to the birth of his son Yaroslav in 1983) and because of perestroika.

During his work on the book cycle 'Initiation or the Path of a Warrior', Oris (in a state of deep meditation) first inadvertently came into Contact with his Spiritual Teachers, after which he regularly received the information that formed the basis of the most unique book series 'Life between Live's and all the books subsequently written by him.

Then begins a more intense Spiritual Path for Oris, marked by a turning point in his life due to the urgent need arising in his Consciousness to find Himself and his Spiritual role in life.

He went as a hermit to a cave in 1996 from which he had no plans to return. There, in the cave, deep Spiritual revelations came to him, as well as information about his past (parallel) lives. Some of these inner experiences Oris described in poems, which have been published in a separate collection. On the basis of the contacts with his Spiritual Teachers during this period (after 40 days of taking only water), having learned his Purpose in life, he returns home with a renewed Self-consciousness, after which a new Spiritual phase begins in his life: within four years he writes more than 40 books, which are combined into several cycles with the following

titles: «Life Between Lives», «The Art of Dying» and «Extraterrestrial Contacts».

After 2000 he began to write texts to the melodies of Soviet hit songs, in which he expressed the whole quintessence of his spiritual conclusions and thoughts, emphasizing the role of Love, Kindness, Mercy and all Human qualities and feelings, which people so often forget in their everyday life.

Also after 4 consecutive Spiritual Initiations (from 1996 to 2000) Oris gets access to more true and authentic information about the structure of the Universe and the role of human in it, which he reveals in the book series called «lissiidi», «The Great Message», «Immortality is available to everyone» and «lissiidiology Fundamentals». These book series are written as the quality of information that Oris received becomes more and more complex because it comes from deeper and deeper levels of the collective Subconsciousness. These more profound and insightful conceptions form basis of his own Self-Consciousness and he begins to find answers to complex cosmological questions that until then were expected to remain unanswered for people for many decades to come.

A more detailed and complete list of all books written by Oris is set out below. They are presented in chronological order as books were written.

## A collection of poems «40 days of Hermitage»

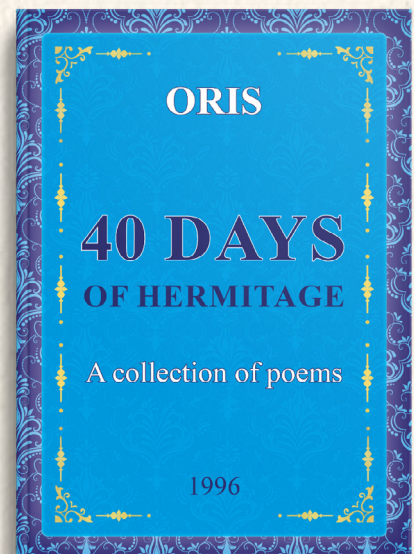

Yalta, 1996

Pages: 47

All poems in this book were written by Oris in 1996 in the Ai-Petri mountains, when he voluntarily took a vow of silence and lived for 40 days in a mountain forest, in a small space dug with a tin can between two rocks supporting each other, completely refusing food and any communication with people.

His inner reason for going to the mountains was the pressing, unyielding need in his Soul to try to cognize the Meaning of his present existence as deeply as possible and, if possible, to try to find the Essence of his own Spiritual Destination by conducting an inner dialog with his «Higher Self» and seeking opportunities to understand himself...

This book also contains an audio recording of these poems, which Oris recorded onto a tape recorder during this act of hermitage.

## Thought and Meditation

Yalta, 1997

Pages:

Thoughts, unlike objects, do not belong to you: they come from somewhere else all the time, stay and interact with your Consciousness for a while, and then imperceptibly disappear to somewhere. Your thinking is the process of continuously synthesizing in your reality newer and newer Forms from the already known to you mental and sensual experience. Therefore for you the thinking process represents the «beginning» and the «end» of absolutely all of your desires - from getting some material benefits to achieving «higher» (according to your concepts) spiritual goals.

By mastering the art of mental transformations, you will have an absolutely real means of consciously controlling the material conditions of your earthly existence. By improving in this direction, your mentality can reach the point where it becomes possible to control the powerful factors of the natural elements of Nature, influencing not only the weather, but also such destructive phenomena as tornadoes, tornadoes, earthquakes, tsunamis with the power of your Mind...

# Book series «Life between Lives»

*Yalta, 1997-1998*

What Oris writes about in this book series is the most detailed description ever written by human about the entire sequence of events undergone by the Consciousness of a dead person when he returns to his Heavenly Home, which has so many «abodes» that it is impossible for an ordinary person to even imagine.

Oris, using his many years of individual experience of astral travel, describes in detail the Astral and Mental realities he has explored, transforming the Incomprehensibly-Cognizable Existence into Knowledge that is comprehensible to almost every person, which leads readers to a gradual realization of the immutable Truth of their infinite Cosmic Existence.

## **Book 1. «Life without death» («The spirit of death»)**

*Yalta, 1997*

And will you really exist after that? These are constant questions. But they have answers. The secret of life and death irresistibly draws man to the realization of what he has long known, but what has remained a mystery and unknown.

If you need answers to these eternal questions, if you can no longer live without understanding them, then this source of knowledge is for you.

## Book 2. «Soul and the Cosmos»

*Yalta, 1997*

 Pages:

 When confronted with the constant choice between Good and Evil, man is lost and does not always think about whom exactly with his every choice and action he serves: God or Satan? To help the reader to choose, the author tells in details about Egregors - astral entities, adapted to living in both as in positive so and in negative poles of Existense, which are mainly determined by the nature of Egregor itself.

 The author helps to understand all the subtleties of this topic, showing using examples the activity of «devil's Egregors», explains to what can lead the spiritual ignorance and thoughtless worship of material symbols, which all lower the human consciousness to the level of sorcerers, magicians and so-called non-humans.

How can we cleanse ourselves from the astral dirt of our own ignorance, which degrades our spiritual Essence and puts us on the same level as wild animals? How can we in Life take care of favorable conditions of our postmortem existence? This and much more is discussed by Oris in his second book «Soul and the Cosmos».

## Book 3. «Soul in other Worlds»

Yalta, 1997

Pages:

Always when people speak of «other cosmic thinking civilizations» they usually mean either the intelligent populations of other planets, the so-called «brothers in mind» or something very abstract and vague. But for some reason no one ever thought that these very «thinking civilizations» could be OURSELF, but only OURSELF located at other levels of OUR development, in other conditions of Existence, in the past or future space-time structure, in other circles of OUR human civilization's time field.

All so-called «other worlds» should not be perceived as something alien and unknown. There is no dividing barrier between «this World» and the many «other Worlds». On the contrary, all that exists is one single Divine Being.

You will learn about this and much more from the third book «Soul in other Worlds».

 This book may seem unbelievable and dreamy to the reader, but those who have ears to hear will find confirmation of their thoughts and hopes and proof that we are not the only people in the cosmos.

The time has come to meet those who have been invisibly present around us for millions of years, sending signals of their invisible existence. May each of you perceive this book the way he or she feels! For some, it may be perceived as a fairy tale, and for others, as information for reflection or as a guide. In this way, the main goal of this book will be achieved, because you will know the Truth, and what to do with that Truth is everyone's personal choice.

This book represents the least amount of information about the author's many Contacts with other cosmic civilizations and the information that has been received from Those whom the author calls The Universal Teachers.

In this book the author continues his exploration of the world around us and tries to unravel one of the most unexplored mysteries of nature – the human. After all, only by knowing ourselves we can come closer to knowing God and His Mysteries.

Who are you and what are you doing on this planet? What is the point of your being here? Where will you go after people say about you, «He's dead...»? And in general, will there be anything left after Death other than the memory of you? All these questions will be answered through the author of this book by his Teacher, who has undertaken the mission to give a thorough introduction to the mankind on Earth to the problem of so called «post-death existence» of a human.

## Book 7. «Soul in the Zodiac»

Yalta, 1998

Pages:

In this book the author tells us that the entire world around us is a single system, and the parts of which are in very close relationships and interconnections, and that the entire Universe is subject to unified rhythms and unified cycles. Some of these cycles began at the creation of the Worlds and determine the Evolution of the Universe as a whole. Others determine the course of geological processes that change the face of our planet and, in turn, also affect the development of all mankind, the emergence and collapse of terrestrial civilizations.

The nature of all these influences, both global and individual rhythms, on the objects of the World is determined by the laws of the Zodiac, whose symbolism is much deeper than many novice astrologers think. In addition, in each cycle we can distinguish twelve basic and twelve current phases or micro-cycles, the characteristics of which are also associated with the passage of the Soul along different qualities and with the zodiac symbolism.

This book, as well as all the other books by Oris, is intended for those readers who seriously, deeply and with a sincere desire want to understand on their own everything that relates to the problems of Life and Death, who see in their impending Death not the most terrible and dangerous enemy, but on the contrary, a reliable adviser and a friend.

With Oris's books, Death is transformed from a frightening adversary, from an unfortunate failure or fatal mistake in the Universe into one more, another Transfiguration, to which we have already been subjected more than once.

## Book 8. «The art of dying»

This book consists of 5 parts.

Pages:

The author has tried to give the most detailed answers to specific questions through his many years of experience of independent out-of-body explorations of the Ethereal World: how to die correctly? How to learn to accept your death in time? How the transformation of subtle bodies takes place during the post-mortem transition?

This book, describing in the most detailed way the changing state of a person's Consciousness during the process called «dying» and his Soul's presence in various

vibrations of the energies of the Astral, is also a kind of manual of religious therapy and eschatological psychosurgery, carried out through the most detailed texts of “Instructions” read by relatives for the dying ones or an already dead person in order to strengthen and awaken his Consciousness before the Transition to the Other World.

Among other things, this book can safely be classified as one of the most detailed travel guides to the many realms and spheres of the Ethereal World, which we commonly refer to as the «afterlife».

*Yalta, August 1999*

**Pages:**

As long as man is alive, he gives little thought to WHAT awaits him, perhaps in the next second: after all, how many beautiful lines broke off in mid-sentence, and how many good deeds were not destined to come true only because people in their busy every-day life keep putting off all the best and the most necessary,

forgetting that in the next moment they may not have that «later» at all. How many lost opportunities for the most simple manifestation of Kindness and Love towards each other have never been realized, and how many unspoken beautiful words have fallen into nothing!

This book is not about Death, but rather about HOW to restructure your whole life now, immediately, so that you can meet every next moment of your earthly existence without disappointment, despair and grief.

Pages:

Never before has the Mystery of the Creation of our World and the tragic role that Lucifer, one of the most highly spiritual First Consciousnesses of the Logos of our Universe, played in the history of the birth and development of mankind on our planet in such detail been revealed to people.

The purpose of this book is to give you the Knowledge which will help you to understand who is the God and what place in Him belongs to the forces which people call «Satan», «devil», etc. What energy-informational niche do they occupy in the Earth's Space and what form do they take (and if they have a form?) in reality?

Cleansing from evil during life-time

## Book 19. «Soul in Hell»

Yalta, 1998

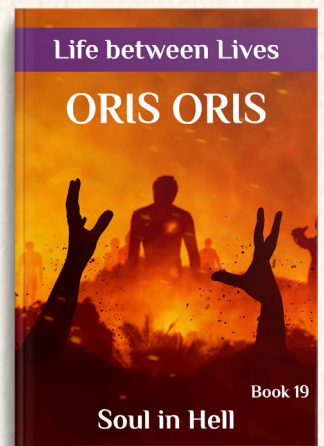

Pages:

Fear of Death is the individual's fear of losing himself, the fear of the need for further evolution. Man is most afraid of the unknown, but it is the unknown that makes a man to conquer his fear again and again. Many people are totally unaware of the infinite variety of levels of Consciousness in their own nature and whatever the author of this book may say to them about it, it will still not help them to understand it.

But there is still a small, even a tiny one-thousandth part of humanity which is the reason why all this knowledge about the true picture of Existence after Death is given. For the Transfiguration of this small part of mankind a small group of Star-Born Ones have specially incarnated and agreed to become conductors between the awakening Consciousnesses of the Earth and the Consciousnesses of the spiritual Teachers from Sirius and Pleiades. To each thousandth of the incarnate Earth's humanity Oris addresses in his books.

## «Extraterrestrial Contacts»

In today's world there is a lot of information about UFOs, about the meetings of individuals and even whole governments with aliens, as well as materials of telepathic Contacts with representatives of various extraterrestrial civilizations, etc. Unfortunately this information, while passing through different dimensions to us, in our three-dimensional world, is often subject to very strong distortions and is very often misunderstood by us due to the specifics of our three-dimensional way of thinking.

Offered to you materials of Oris's Contacts with the commanders and crew members of the Sirius-A and Sirius-B starships, as well as with other extraterrestrial Consciousnesses and Civilizations, including the Consciousness of Christ, Lord Maitreya, God of the Sun (the Logos of our Solar System), Elohim (the Creators of our Universe), and the four Archangels (Michael, Uriil, Gabriel and Metatron), are unique because they are literally received «first-hand» and contain very valuable information, useful for all humanity, which lives on the eve of the Transfiguration of the Earth.

The Pleadians and Siriusians, who are the true spiritual Teachers of Earth's humanity, are happy to share with us the knowledge without which we earthlings cannot emerge from the endless series of earthly incarnations and join as equals the extraterrestrial civilizations that are part of the «Commonwealth of the Light Ring» on the expanses of Cosmic and Galactic Creativity.

About this and much more you can learn from this book series called «Extraterrestrial Contacts».

## Book 1. «Teachers from Pleiades report»

Yalta, 1998

Pages:

Such concepts as «Cosmos», «Higher Intelligence», «UFOs», «aliens», etc. have now firmly established in our Consciousness, and we can no longer imagine ourselves, our planet and our entire existence in isolation from the rest of the universe, from the hope of a promising direct contact with brothers in Mind.

Who are they, our teachers, what do they teach, what do they look like, and what do they want from us? In this book you will find answers to these and many other questions.

Yalta, 1998

Pages:

In this book, the Pleiadians and Siriusians, who are the true spiritual Teachers of mankind, gladly share their knowledge with us, without which we, the earthlings, would not be able in the very short time that remains before the Transfiguration to come out of the many thousands of years of hibernation and to make the necessary number of timeless passages in the impermeable thickness of the Collective Consciousness, necessary for the so called «shift of the paradigm».

## **Book 3. «The crew of the Starship Sirius-B reports»**

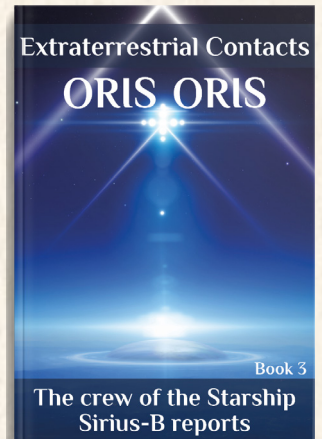

*Yalta, 1998*

**Pages:**

The next ten to fifteen years are predicted by extraterrestrials to be very informative and interesting for humanity. We will see how our so-called «unshakable reality» will begin to be rapidly turned upside down before our very eyes. Already the world does not seem as solid and unbreakable as it once did. And very soon we will all be witnesses and direct participants in a worldwide spectacle of Chaos and Confusion. The foundations of all our cultural, religious, philosophical, and scientific Paradigms, which have served us so far invariably as an image of the «real» World, in a matter of years, will crack and begin to crumble before our very eyes.

The reality of the New Age is within us, and main changes that we have to make must affect primarily our inner content, which, by freeing the Divine Light of our Souls from the millennia-old oppression of the Matter, will turn the mustiness and decay of our earthly cities into the unearthly glow of Beauty, which overflows the Cities of Light of the new, transfigured Earth.

## **Book 4. «The Teachers of the humanity report»**

*Yalta, 1998*

**Pages:**

Throughout all the history the humanity has been narrowing its perception of the Worlds from multidimensional, which includes all the subtle-material Spheres of the Astral, to three-dimensional, rough-material Level, thus not only limiting itself in the better understading of the world around, but also completely destroying the possibility of free contact with the Consciousnesses of hundreds of thousands of other space civilizations, who actively create and work in the Cosmos.

Representatives of many of these Intelligent Civilizations have practically never left our planet, while other Higher Entities have been incarnated among people only for several millennia.

They have voluntarily shared and continue to share with us all the burdens of earthly incarnations and the very heavy human Karma, only to help with their Knowledge of the Truth and their personal experience, so that the people of Earth could more rapidly climb the steep steps of the Evolution Stairs.

## **Book 5. «Extraterrestrials»**

*Yalta, 1998*

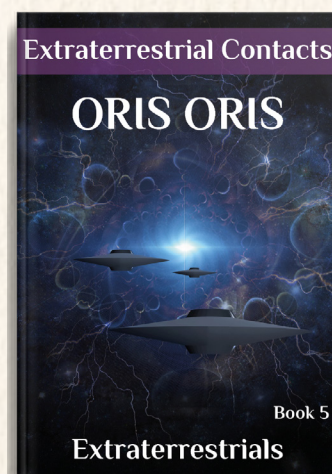

**Pages:**

They, the extraterrestrials, are working on our planet neither to conquer nor to enslave it, but with one single goal in mind: to slow down our rapid fall into the abyss of self-destruction, trying to bring to our Consciousnesses the moral, spiritual, social and scientific values accepted in the civilized Cosmos.

Those few people who are able to perceive their Word of Truth do everything possible, even impossible, to bring it to the half-asleep Consciousnesses of the rest of mankind.

Many «extraterrestrials» from Pleiades, Sirius, Andromeda and other civilizations of the «Light Ring» have been living among us for thousands of years, voluntarily giving up being in the Worlds of higher dimensions, just so that we, people of Earth, did not remain completely cut off from the Source, from Which all of us have come out, and to illuminate with the Knowledge of Truth the Path of spiritual ascent for Consciousnesses who no longer wish to

abide in the sleep of illusion and the darkness of ignorance. The Books of Oris are an example of this Service.

## **Book 6. «On the eve of Armageddon»**

*Yalta, August 1998*

**Pages:**

This book, in its uniqueness and value of the information it contains, is on par with the other Oris's books, continuing the subject of Contacts with Representatives of Worlds of Higher Levels of Existence.

Does The Christ Himself communicate with many people on the eve of the so-called «Last Judgment» transmitting specific recommendations? Has the Mother of God appeared to many to show them the way to salvation through Her Word in these terrible days of the approaching disasters and cataclysms? You just stop for a minute and delve into the rank of Those Who appeal to you – the Christ and the Queen of Heaven!

To ignore this information would be to close one's eyes, on the edge of the precipice, at the risk of being crushed to death. Is that what you want? Then read carefully, absorb and, opening the eyes of your Heart, draw your own conclusions.

### **CONTENTS:**

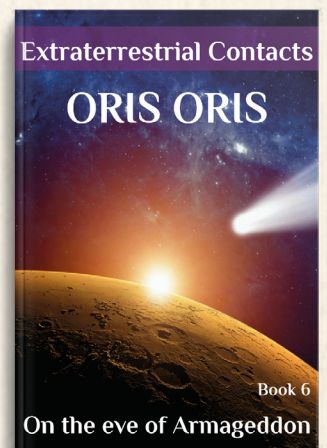

On the Eve of Armageddon

Second Message of Christ, Lord Maitreya

Commandments of Christ

The Word of the Queen of Heaven to the Adam's family

## Book 7. «The beginning of Armageddon»

Yalta, September 1998

Pages:

The beginning of the Age of Aquarius. Nostradamus wrote: «I see a reborn and renewed Christ coming. And then there will come a long peace, unity and harmony among the generations of several races».

The process of division of people depending on the quality of their Consciousness has already begun rapidly around the world. It will soon lead to the final separation of mankind not by national, religious or party affiliation, but by the quality of their spiritual vibrations. People had more than enough time to change their lives for the better. But now there is no time even for a reflection.

Very soon there will be the first cataclysm of an unprecedented force, which will not only change the circumference of the Earth, but will also shift its magnetic poles. The Earth's axis, which is already in an unbalanced state, will change

and all this will cause continuous, endless cataclysms. Earthquakes and floods will become a common thing, and long and extensive fires will engulf the entire planet.

Today we are no longer «slipping into the abyss» or «standing on its edge», as economists and politicians reassure us; we are already flying into the abyss with great acceleration, and no one gave us wings to wave and soar upward to avoid death, or rather, God in fact did, but we have all forgotten about them.

*Yalta, 1999*

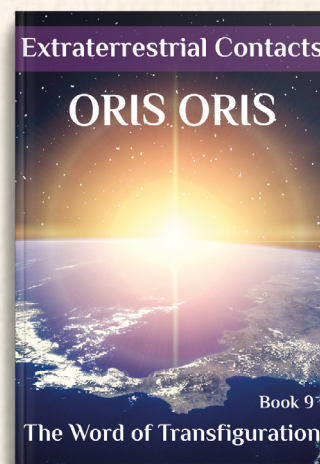

Pages:

Holy Mother of God, save us! - This is what the prayer to the Blessed Virgin asks for. But the same people disbelieve and slander, avoid and remain indifferent when the Living Virgin herself speaks to them and tells them about the ways of their salvation. «Hypocrites», says the Queen of Heaven to them, «get to know what Heaven looks like, and why do you not know the signs of the times? Prepare yourselves, people, as truly the day and hour of the Judgment of this world has already come».

In August Our Lady transmitted the first part of Her «WORD» through Oris, and on January 13 and 19, 1999, through the same channel She transmitted the next two parts and commanded to compose from Her «Word» a supranational «Gospel of Transfiguration», which was published as a separate book «The Gospel of Transfiguration by the Mother of God» (see below).

### «Muladhara chakra (Argllaamuni-lissiidi)»

*Yalta, 2000*

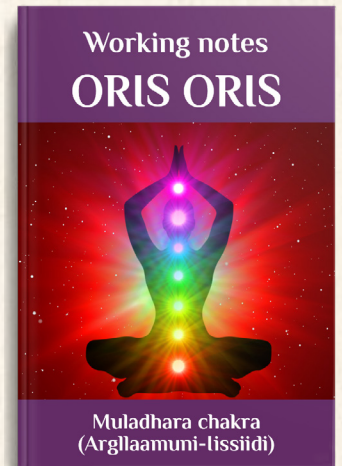

Pages:

Functionally, the Argllaamuni-center (Muladhara) is closely connected with the psychological abilities of the physical body, which provide survival of the physical body and protection of a person from unfavorable external influences. A big role in the activation of the whole immune system belongs to this lower center. Its normal functioning gives a sense of physical health, well-being, self-confidence and stability.

Imbalance and all kinds of muladhara «breakdowns» in the Aura, lead to the constant outflow of these energies and can cause a feel of insecurity, deep depression, lack of willpower, a sharp decline and energy loss, increased soreness in the lower and middle parts of the body, despondency and melancholy. This is particularly typical for those, who have not yet opened the karmic channels of the heart center or if karmic channels of the heart center are very weakly activated, which in order to switch the person to completely higher, spiritual levels of feeling and thinking. In such cases a person loses the purpose of his Life, as if he loses his roots and, purely intuitively, following the consciousnesses of the organs and body systems, completely surrenders himself to the satisfaction of his own lower desires in order to replenish the energies of the Argllaamuni center.

## «Svadhithana chakra (Inglimilissa-lissiidi)»

Yalta, 2000

Pages:

The weaknesses of our sex education have led to the fact that most people, even if they feel a deep sensual attraction, instead of beginning a heartfelt spiritual exploration of each other in the process of intimate interaction and accumulation of sexual energy, instead, close their heart centers and turn the unique opportunity of highly sensual admiration into a trivial sexual act.

Unfortunately, the creators of the lower-astral and dense-material types of Reality benefit greatly from the fact that the prevailing majority of people completely incorrectly and perversely understand the very essence of SEXUAL INTERACTION. Sexual interaction in fact is a spiritual intimate process which, if properly understood, contributes to a stronger contact between a person and his inner Essence and contributes to a more highly-sensual and deeply soulful manifestation of the person.

Love is the real Symbol of the Age of Transfiguration that is coming on Earth! And the mysterious «sacred key» to the Gate of Spiritual Transformation is not somewhere in the cosmic infinity and unfathomable unknown, beyond our psychic capabilities, but in fact is located quite «nearby», or rather, in our own heart center AIGLILLIA, which is filled with the highest vibrations of Love literally towards every manifested aspect of the Life around us, including the strongest of all – the sexual one.

## «Anahata chakra (Aigllilliaa-lissiidi)»

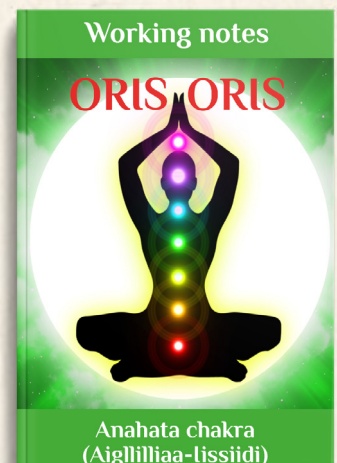

*Yalta, 2000*

Pages:

Oris describes his reflections about the so-called Anahat states and deepens the concepts of Kindness and Love, revealing their different shades depending on the presence of a greater or lesser selfish component in each of such manifestations.

## Book series «ISSIIDL»

This series of books, from the first to the last pages, includes the most unique in meaning and the most important information, accepted by Oris after the year 2000 during his next direct Contacts with the Creators of Humanity: Algellis (Argllaamuni and Inglmilissa iissiidi centers), lillgmmii-I, (Aigllilliaa and Orlaaktor iissiidi) Lua-Andis (Ulgluu and Ssaassfati iissiidi), Greyli-Vin (Olgoolloni and Aani lissiidi), Slliargsmiii (Raaklima and Uluuguma lissiidi), Sslaaiingsa (Svaagali and Eyyaaa lissiidi) and Ssniillgsa. These Cosmic Entities represent personal Interpretations of Oris at the levels of the collective Subconsciousness, Supraconsciousness, Ultraconsciousness, Superconsciousness, Hyperconsciousness, Proconsciousness and Protoconsciousness. The detailed Knowledge of such a high Buddhist level, for many evolutionary reasons, has never before was accessible to humans or even the spiritual Initiates of the 3-4 Planetary Initiations.

Only because of the spiritual transformations which have intensively begun on Earth and because of the preparation of the collective Consciousness of mankind for the act of Transfiguration this Knowledge is now being transmitted to those of earthmen who are ALREADY spiritually mature for its proper understanding and comprehension and who are eager to use it to continue their further Path of mastering and accumulating the entire experience of incarnated earthly existence as swiftly and as effectively as possible.

In none of the astral or written sources on our planet there is even a mention or a distant analogy of this Teaching, because the degree of admission to it requires from the spiritual seeker an active self-discovery and prolonged experience of conscious existence at the causal-buddhich level, as well as an experience of being outside the physical shell for long time.

Oris deliberately integrated all the Knowledge he received - the «Teaching about chakram personalities» - only onto the highest ajna-vishuddha levels of the collective Consciousness of the planet, because further adaptation of these highly spiritual codes to the generally accessible understanding would lead to a significant decrease in their degree of authenticity. Therefore this information can be productively assimilated only by people with actively developed over diaphragmatic psychic centers. For them and ONLY FOR THEM the Spiritual Teachers from Pleiades transmit this newest spiritual Teaching.

## «The Great Message»

In 2006 two volumes of Oris's books were published, reflecting the results of his further Contacts with the Teachers of Humanity, which represent the highest personal Interpretations of his Ultraconsciousness and Superconsciousness, under the general title «The Great Message». Its contents marked the beginning of the creative stage of work with information of a principally new, more qualitative level.

As a result of numerous answers to reader's questions on the materials of these volumes a new series of books «Immortality is accessible to everyone» was published as part of the Issiidiological Knowledge - the newest spiritual-cosmological conceptions about the Universe and the human being.

# Book series «My Covenant»

(New title - Volumes 7 and 8 of the series «lissidiology Fundamentals»)

Pages: 1,469

From 2001 to 2022 Oris has written over 1600 song lyrics to popular tunes of the 20th and 21st centuries. The first 555 songs were combined in two collections called «My Testament». The lyrics of all subsequent songs are published on the Ayfaar Songs website [ayfaarpesni.org](http://ayfaarpesni.org).

These songs tune to a positive perception of life circumstances, an altruistic way of life and unconditional love for everything, as well as a deep understanding of the fact that everything that happens to a person as a good thing.

## Book series «lissiidiology»

From 2009 to the present, Oris has been working on the book series called «lissiidiology».

This series consists of the following books:

- lissiidiology Fundamentals (Volumes 1-6)
- Texts of Ayfaar Songs (Volumes 7-8, previously published under the general title «My Covenant»)
- Dictionary of terms (Volume 9)
- «Immortality is Available to Everyone» (Volumes 10-15),
- «Commentaries to the Fundamentals» (vols. 16-20), which were compiled from the author's written answers to reader's questions
- «Kollokviums on Fundamental Concepts» (volumes 21-22), compiled from the author's oral answers to various lissiidiology questions

This book series is being continually updated with new Oris's answers to reader's questions, which are being subsequently formed into new lissiidiology volumes or added to existing volumes according to their subject.

This series of books reflects the author's latest iissiidiological insights, which deepen, expand and supplement the information published in the previous book series «lissiidi».

# LISSIIDIOLGY

## Volume 9. Glossary of terms

Moscow, 2010

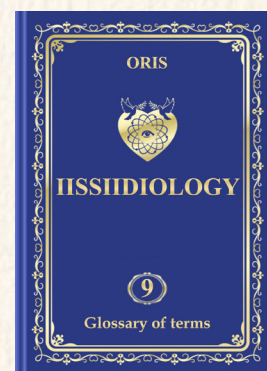

Pages: 725

IISSIIDIOLOGY terminology has its own individual specificity of spelling.

Also, each of the terms includes a much deeper meaning than might seem at first glance, because it is rooted in more qualitative levels of this Knowledge, which, without sufficiently developed extrasensory abilities, is not yet available for access to the current creative dynamics of the Self-Consciousness of an average person.

This publication contains only short vocabulary articles to facilitate the process of understanding the material, at least at the most elementary level. More detailed information on each of the terms can be found in other lissidiology books.

Some terms are very difficult to describe and have absolutely no analogues in the habitual human associative perception, so it is an extremely difficult task for the Author to formulate a dictionary article within the limits of an ordinary person's comprehension.

## Volume 10. Immortality is accessible to everyone. «Fundamental Principles of Immortality»

Moscow, 2010

Pages: 521

In this book, Oris continues to give full answers to inmost and fundamental questions of cosmic and human existence: about Earth and universal destinies, the nature of life and death, Soul and God, good and evil, about our relations with one another, the nature of Space-Time and how the entire visible and invisible-to-us reality is formed. The Universal Knowledge given by Oris offers the fundamentals of a new and unique world view for all of us. It allows us to penetrate the mystery of eternal existence to an extent inaccessible before, reasonably and substantially solving the problems therein, offering convincing answers which are not available in any religious world view, philosophical movement or scientific theory. Oris's Information expands the limits of human experience and perception literally to infinity!

### «Energy and biological mechanisms of refocusing of Self-Consciousness»

Moscow, 2010

Pages: 691

In the first Chapter of Volume, Oris describes in detail functioning of Formo-Creators of the brain, how the memory is accessed, how biological structures of the brain are associated with energy-informational structures of Self-Consciousness, how various Self-Consciousness Levels are differentiated and reprojected at the moment of so-called «Death». This Chapter also describes functioning of «the intestinal brain», how it becomes possible to cure at a distance (the technique of ethereal projection), gives the meaning of the esoteric term the «Astral Plane» from the point of view of lissidiology.

The second Chapter tells us that biological Forms can exist in different Continuums and explains the interrelationship between our lifespan and quality of active Levels of our Self-Consciousness. It also provides information on the following subjects: it is possible to «live one's Life many times» in higher-quality scenarios, cycles of changing male and female manifestations within the structure of a multi-dimensional human Form, physical principles of organization of higher-frequency levels of the Universal Reality with a detailed description of the nature of boson and fermion fields, and types of particles that are carriers of such interaction.

#### **CONTENTS:**

Preface

- SECTION VII. Objective mechanisms of a phenomenal manifestation of the Illusion of «Death» of any «personality» in the dynamics of Formo-systems of the Worlds

Volume 12 is devoted to the diversity of the Self-consciousness manifestation forms in the infinite variety of the Form-Systems of the Worlds. Tell me, what do you know about the universal properties of Space and Time? About the illusory nature of our existence? About the Essence of «development» of each «personality»? It's not easy to answer any of these age-old questions.

But Oris, with all possible detail and thoroughly, goes on to answer not only these, but many other equally urgent and vital questions that trouble us and compel every seeker to learn, to give up something, and to gain something...

### **CONTENTS:**

*Moscow, 2011*

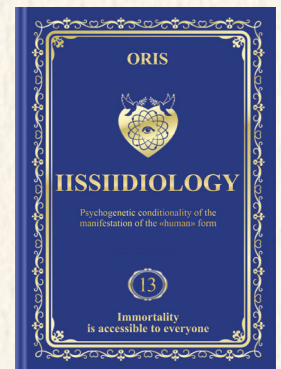

**Pages: 700**

In the 13th volume of the commentaries, Oris answers the vital questions of mental and physical health, medicine, psychology, psychiatry, genetics, somnology, pharmacology, and reveals the psychogenetic features of the manifestation of the «human» Form.

Our biological Existence is a continuous process - when we feel, think and experience something, we immediately become part of those groups of the Worlds, Realities and Continuums whose synthetic dynamics correspond exactly to the quality of these infinite processes.

## **Volume 15. Immortality is accessible to everyone.** **«The Conscious Path to Human Worlds of «personal» Immortality»**

*Moscow, 2012*

**Pages: 648**

«The Conscious Path to the Human Worlds of «personal» Immortality» - this is the name of the new volume from ORIS book cycle «Immortality is accessible to everyone». At first glance, this may seem like an invitation to a philosophical contemplation. But by appealing to his devoted readers, the author hopes for the consideration and perception of this issue in a broader or, if you like, deeper understanding. Philosophical concepts offer to us only sensory-contemplative,

mostly associative images regarding a particular issue. The author, however, presents in this work, as a logical continuation of previous volumes, a detailed consideration of the practical prospects for the development of a personality into a true Human, who explores his own spirituality.

In addition to the mechanisms of working with own Self-Consciousness, which will lead people as Humans to «personal» conscious Immortality, ORIS describes the «Worlds of our Future», the prospects for the manifestation of the coming times. And in order for everyone to develop an understanding of their own Path, a comprehension of the choice of their spiritual development, the author not only describes «bright» prospects, but also specifies in detail the obstacles that each of us may face and, by not noticing or not determining the nature of which, to unconsciously, under the influence of particular reasons, deviate from the development in the Human direction.

With the help of this book, you will be able to determine the qualities that are truly inherent in people, and you can finally figure out how to form in yourself these qualities that are truly Human - with a capital letter. Having experienced what a highly sensual Intellect is, you will then understand why only with the help of highly intellectual Altruism you can find the Path to the cherished Goal of your spiritual future!

### **CONTENTS:**

- SECTION XIX.       Obstacles on the path of realization of «individual» Immortality
- SECTION XX.        The Specific States of uoldmiism (high-sensual Intellect) and stollmiism (High-Intellectual Altruism) synthesized in the Human (lluuvvumic) development Direction

### **«Interaction of Information and Energy as the Primary Cause for origination of the Creative Activity of Self-Consciousness Focus and the Macrocosmos in whole»**

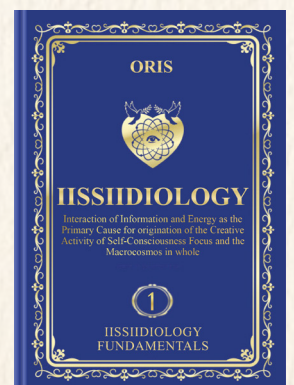

*Moscow 2013*

**Pages: 312**

This book presents the beginning of an overall 20-volume information series titled «The Great Message», which consists of «IIS-SIIDIOLGY. Fundamentals», «Commentaries to Fundamentals» and author's Song lyrics with a highly-spiritual content written to popular and all-loved melodies.

From the very beginning, the author pinpoints the reader's atten-

tion upon fundamental notions of IISSIIDIOLOGY starting from basic, axiomatic Conceptions. The book contains the newest interpretation of formation of the outer reality based on the Self-Consciousness's Focus Dynamics as the main functional mechanism of the Macrocosmos's Creative Activity. A detailed comparison of the author's hypotheses with existing scientific conceptions allows to draw parallels with the current worldviews about nature, space, time, energy and to find the ways for their radical transformation and potential development.

In this volume, the author introduces the conceptual foundation necessary for an adequate understanding of all other IISSIIDIOLOGY books of this series. Hierarchy of Self-Consciousness Levels, dimensional differentiation of manifestation Forms, classification of elementary (and other) particles as structural components of the Universal Plasmic-Differentiation Emission, information theory of the formation of Energy in the Macrocosmos are described in order to form necessary notions that will serve as the basis for further more complex iissiidiological Categories: Universal Cosmic Laws and their Principles, Diapasons of Plasmic Forces, Evolutional and Involutional Branches of development, and many others. The first volume of Fundamentals is the required minimum for any reader who wants to thoroughly study iissiidiological conceptions.

*Moscow, 2013*

Pages: 662

Many scientists may consider this volume of «Fundamentals of IISSIIDIOLOGY», as well as all the other books of this twenty-volume series titled «The Great Message», no more than «science fiction» — each of us has the right to believe in what is the most convincing. However, every intelligent person who possesses at least

the rudiments of cognitive intuition can discover in this information those more Qualitative characteristics of the objective truth, thanks to which continuous eglleroliftive Amplification of all Self-Consciousnesses Forms is carried out.

Catastrophism periodically appearing in the process of human self-cognition is always accompanied by the radical breaking of many old Conceptions, which by its radicalism surpasses greatly all theoretical forecasts. Fanatical belief in dogmas and postulates established once, as well as the clear tendency for idolatry — these are obvious characteristics of degradation and regression that converge modern academic science with paganish religion. Yet, the eglleroliftive Amplification process and harmonious evolution both of a separate personality and human population in general is impossible without breaking down old stereotypes and establishing — on the basis of deep cognition of Wisdom of previous and future generations — much more universal conceptions about ourselves and our surrounding reality.

This uneasy, but grandiose on its depth and scale Task of prompt and Qualitative transformation of human community is assigned by the Evolution Itself to the universal knowledge of IISSIIDIOLOGY, absolutely new to people, which is received for the first time and entirely by one person only by means of the intuitive way of cognition. We offer you to find out more about its newest fundamental Conceptions in the second volume.

Besides, the IISSIIDIOLOGY offers to Collective Consciousness of humankind a totally new paradigm that gives new and fresh view of the multitude of clinical phenomena studied by psychotherapists. It gives a theoretical model for understanding the changes in the mentality of a patient and the hope on clarifying mechanisms of effectiveness of psychotherapeutic method.

### «Variety of Forms of Creative Realization of the Cosmic Human»

Moscow, 2014

Pages: 780

The third volume of «ISSIIDIOLGY Fundamentals» allows readers to go deeper into yet completely unexplored by us structures that provide functioning of human Self-Consciousness and its interconnections with Self-Consciousnesses Forms focused by it. First two volumes of «ISSIIDIOLGY Fundamentals» thoroughly describe the deep Nature of Causes and Mechanisms of Creative Activity of everything manifested in multidimensional and different-Qualitative Macrocosmos, including also qualitative Basis of Focus Dynamics of Form-Creators of Universal Structures. The third volume in its turn focuses on the detailed description of basic Principles of exiberation of Human and other Self-Consciousnesses Forms in all the diversity of different-dimensional diapasons of the Tertiary Illusion.

To allow the reader to fully comprehend the essence of the notion «Self-Consciousness Form,» the author describes realization functions of these structures at the example of subjective formation — as a result of life creativity of every personality — of so called personalistic Worlds, which goes far beyond existing scientific notions about the surrounding reality and peculiarities of interaction between Forms structuring it, whether it is a human, a planet, or an elementary particle. Furthermore, he describes different-dimensional variety of Forms of Iluuvvumic Direction of development and characteristics of focal realization of Humankind Collective Cosmic Intelligence as a unified the LLUU-VVU-Entity.

The third volume ends with a detailed description of multi-level manifestation of Plasmic Forces Diapasons of our Universe, which are described from a position of their subjective interpretation through the specific peculiarities of human Perception systems. Endless inner transformations of Universal Illusion, as mechanisms of evolutional growth of the Cosmic Human on its Way to its Universal Future, lets inquisitive readers to form in their Self-Consciousness own highly intuitive conceptions about endless varieties of all possible variants of development, where goes the process of eternal multidimensional Existence of every human personality.

This new volume of the series «lissidiology Fundamentals» is a reasonable consequence of consideration of biological mixtum NUU-VVU-Form-Types that was started in the previous volume. For our deeper understanding, it draws our attention even more at iissidiological approach to the matters, which are related discretely by contemporary scientific community to philosophic anthropology in general and to behavior theories of personality in particular.

At more objective, transcendent, gabitual (primordial, objectively deep) discussion, it becomes clear that the given material leads a reader maximally to objectivization of own conceptions about relations among personalized, unconscious, and subconscious levels of Self-Consciousness at the background of developing invizusal (imperceptible by our sensor systems and measuring devices) mechanisms of anatomy and brain neurophysiology, accompanied by dominant dynamics of

the first IISSIID-Centers pair.
