To the new occupant

We've been informed by the previous occupant that they've now left this address. As we're unsure if there's a new occupant, we plan to disconnect the electricity supply shortly. This will cut off the supply to the premises.

If you'd like to continue the supply of electricity to this property, and cancel the disconnection, please contact us as soon as possible to set up an account. We'll need the following details:

- Your name
- Your previous address
- A contact telephone number
- The date you moved into the premises

It's important to note, if the electricity supply is cut off, the cost of disconnection and reconnection will be €158.90 including VAT.

Here to help

To ensure the continued supply of electricity to this property simply call us on **01 611 01 01** as soon as possible. We're available Monday to Friday, 8am - 8pm, or Saturdays, 9am - 5.30pm and we'll be happy to help.

Thanks

Disconnection notice

To the new occupant

We've been informed by the previous occupant that they've now left this address. As we're unsure if there's a new occupant, we plan to lock the gas meter shortly. This will cut off the supply to the premises.

If you'd like to continue the supply of gas to this property, and cancel the meter lock, please contact us as soon as possible to set up an account. We'll need the following details:

- Your name
- Your previous address
- A contact telephone number
- The date you moved into the premises
- An up-to-date meter reading

It's important to note, if the gas supply is cut off, the cost of disconnection and reconnection will be €145.08 including VAT.
